### **ROBERT H. GILMAN**

**February 25, 1915 - August 27, 1973**

Bob Gilman lived in Sanbornton all of his life. He attended school in Sanbornton, Lochmere and graduated from Laconia High School where he was a track star. He was a State champion in the mile relay. Bob lived on his farm on Philbrook Road with his wife Gertrude and their three daughters.

Bob was a foreman at Scott & Williams where he was employed for sixteen years. But, he liked working outdoors so he ran for Road Agent and was elected to that office, which he held for twenty years, until his death last summer.

When Bob wasn't working for the Town, he enjoyed working with or riding one of his five horses. He is pictured above with his thirty-six and one half year old Morgan. Bob enjoyed riding in some of the more remote areas of the Town.

Bob Gilman, in his very frank manner, became a trusted friend to many and above all he loved his Town.

## **IN APPRECIATION**

### **CATHARINE B. CURRIER**

**Town Treasurer — 1955-1973**

After Mildred Gardner resigned on December 31, 1954, Catharine B. Currier was solicited to run for the office of Town Treasurer by Ellwood V. Bennett, Selectman, was elected in March 1955, and ran unopposed until her retirement January 1, 1973.

## SELECTMAN'S REPORT

T.R.A. money will be used again this year to continue work on Lower Bay Road.

The State Water Resources Board took over the stream-bed clean-up utilizing the Federal Emergency funds available for that purpose.

In 1974, if you feel you qualify for current use assessment, you must apply to the Selectmen.

Also, remember a taxpayer must file an inventory with the Board of Assessors before April 15th or legally he has no recourse regarding his assessment for tax purposes.

May we again remind all students who wish to apply for a scholarship that applications may be acquired from your school principal and must be filed no later than May 1, 1974 at the Town office.

The parcels of land which were part of Morrison Road until by-passed by a new piece of road, have been deeded to Mr. and Mrs. L. W. Pratt and Mr. and Mrs. Fred Hooper as voted in Article 21 of the 1972 Town Meeting.

Phase I of Measure Plan #200 of the North Country Resource Conservation and Development Project (Hermit Lake Water Based Recreation Development) has been completed. This includes development of the beach and swimming area.

Hopefully when more Town Recreation Funds are available, Phase II, installation of basic facilities, can be started.

Per Selectmen's Orders checks were dated 12-31-73 and withheld until 1-22-1974 in anticipation of taxes. The overdraft was brought about because the property tax warrant was late being prepared in 1973. No checks were sent out before there was money enough to cover them. Had the Selectmen chosen, another short-term note could have been taken to avoid the overdraft.

Respectfully submitted,

MARGARET S. DYMENT,  
Town Treasurer

## POLICE DEPARTMENT

The year of 1973 has brought the Police Department closer to the goals of professional service to the town. We strove to prevent crime, rather than investigate. It would appear that this has met with success, since there has been a decrease in all areas over last year. We have initiated home security programs, where we have entered homes upon request and recommended security measures to the home owner which have allowed them to secure their property at a greater degree. The Inn at Steele Hill and the Trachy-Smart Insurance Agency have donated marking machines to the town, which are available to all. This program enables the property owner to permanently mark any and all property of any value. It gives them an inventory of this property and also makes it lose its value to the illegal agencies that would market it. Our increased patrol coverage has given us the opportunity to surveil and has imposed the threat of detection far and beyond that which we have had in the past. Since these prevention programs have worked so well, we shall continue them.

The members of the Department have completed training in all areas of law enforcement as sponsored by the Police Standards and Training Council of the State. They have also completed training in specialized areas of drugs and narcotics, Police Prosecutors Training and the new Criminal Code, on off duty time without pay.

Trends and information indicate that the illegal use of drugs and narcotics are increasing in town, vandalism of public and private property is increasing and drunk driving is increasing. These are areas in which we will make a concerted effort in enforcement and vigorous prosecution will result.

I wish to thank those of you who have supported your Police and I hope we can continue to earn your support. I wish to thank Sheriff Donald Alden and his department for his assistance on many occasions and all of the Departments and agencies in the surrounding communities for their cooperation.

Respectfully submitted,  
LOUIS R. NIELSEN,  
Chief of Police

## SANBORNTON FIRE DEPARTMENT

The main project for 1973 has been the erection of a Sub-Station in the Chapel area. Many hours of labor by the Firemen, along with their equipment, have gone into preparing the site and erecting the building.

The Sub-Station is nearly completed. It houses a truck, and has been approved by the Board of Underwriters. People living in Sanbornton, within five miles of this station, are eligible for a sizable refund on Fire Insurance premiums. The fire fighting capability is also increased in this area of the town.

Many hours have been spent in training and pre-planning. Twelve men attended the Fire School at Lily Pond and fire trucks from Holderness, Gilford, Laconia, Belmont, Winnisquam, Tilton, Hill and New Hampton have aided us in our interdepartmental training and pre-planning. This is a continuing program.

The Department responded to fifteen calls in town and fourteen Mutual Aid calls.

We wish to thank everyone who contributed with gifts of money or in any other way to the Department.

We wish to acknowledge the gift of the "Base Radio Station", installed at the new Sub-Station, from the Ladies Auxiliary and thank them for their untiring efforts in behalf of the Fire Department.

Much credit goes to the Lakes Region Mutual Aid Dispatch Center for their superb handling of calls and dispatching of equipment. This center has immeasurably increased the fire fighting capability of the whole area thus causing a reduction in our fire insurance premiums.

GEORGE S. CURRIER,  
Fire Chief

A Dry-Hydrant was installed nearby the Bay Meeting House in Sanbornton.

There are at present 28 volunteer firemen enrolled in the Department. A Regular Meeting, Officers' Meeting and a Drill are held once each month, as well as attendance at Mutual Aid Meetings and Fire Schools.

A total of eleven (11) members attended the two-day fire school during 1973.

Approximately 100 children in the Winnisquam Area attended the annual Carole Davis Children's Christmas Party on December 16th, met a real Santa Claus, and were given presents, candy and ice cream.

Respectfully submitted,  
R. A. FLETCHER, Clerk  
Winnisquam Fire department

## WOMEN'S AUXILIARY OF THE SANBORNTON FIRE DEPARTMENT

The Sanbornton Women's Auxiliary have had a very active year with fund raising for the fire department, community activities and an annual social event. There are 30 members at the present time with the officers as follows:

President	Marcia Van der Mast
Vice President	Bertha Fuller
Secretary	Elizabeth Cotsibas
Treasurer	Mildred Sanborn

Recently the auxiliary purchased a new Base Radio for the new Sub-Station in the chapel area of town. The funds are raised for items given to the department by sales and town suppers. The fire station was decorated with window boxes by this group, and also a very successful Halloween party was held, free of charge, for town children. This provided a safe shelter as well as a fun time for all who attended.

The auxiliary provides canteen service for the firemen at their regular monthly meetings and at all fires in the town.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city, or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72 % of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

### Forest Fire Record:

	State	District	Town
Fire reported	617	121	1
Acres burned	244	146	4
Acres average size	.395	1.21	4

## SANBORNTON PLANNING BOARD

Our former chairman, Alexander Livingston, felt it necessary to resign before his term was finished in October because of increased personal business. We regretted his resignation and appreciate the contribution he has made to the Board. Donald Foudriat was elected chairman in his place. The Board now has two professional engineers, one resources management consultant and one member experienced in state, regional, and town affairs in addition to the selectman member. Two members represent Sanbornton on the Regional Planning Commission and attend meetings once a month or more often. The Board has received valuable advice from the Regional Commission and from seminars attended by various members at their own expense. The necessity of expert help is recognized and has been sought in many ways generally without charge to the town.

We have organized an advisory board of local citizens experienced in town planning matters. These members have been consulted in the preparation of amendments to the zoning ordinance and subdivision regulations. Also on the advisory board are citizens who have expressed a desire to learn about the planning process; these citizens provide a source of future planning board members to fill vacancies.

We recognize the need of updating our zoning ordinance and subdivision regulations and are presenting nine proposed amendments to the zoning ordinance at the March 1974 town meeting. These amendments deal with the problems brought about by changing times. We are currently reviewing certain zoning district and lot size changes. A continuing objective of our work is to provide the means for people of all income levels to find homes consistent with maintaining a rural environment.

We have made every effort to seek the opinions of our citizens for Sanbornton should be what the majority of its citizens want and are willing to work for. We ask the cooperation and constructive criticism of all. To obtain maximum contact with our citizens we have held more than the number of public hearings required by law on zoning ordinance amendments. Although this creates additional work and/or slows our activities in other matters, the Board unanimously believes that effective communications with all the town people is worth the special effort.

Nineteen hundred and seventy-three was a very active year for proposed subdivisions and the Board met several times each month to keep abreast of its activities. Frequent field trips were made to inspect proposed subdivisions and close contact was maintained with the town road agent and selectmen to assure that the best interests of the town were guarded.

## SANBORNTON PUBLIC LIBRARY

### The Library in Brief:

Librarian — Barbara S. Powers

Assistant — Priscilla A. Bodwell

Hours — Wednesday 1-8 P.M.  
Thursday 10-noon

Telephone — 286-8288

Circulation for 1973: Adults Books 1,070

Children's Books 4,035

---

Total 5,105

The Sanbornton Public Library serves the Central School children on a regular basis. Priscilla Bodwell has joined the staff to assist the Librarian when school classes are at the Library.

Organizations using the Library meeting facilities in 1973 included: Moulton's Sanbornton Band, The Harmony Grange, the Sanbornton Historical Society, the Sanbornton Hill Four H, the Cub Scouts, the Congregational Church School and the CAP organization from Laconia.

The Library with the Sanbornton Recreation Committee sponsored two Little Red Wagon Summer Theater for Children performances. The programs were held in July at the Chapel and in August at the Square.

Books have been purchased to increase the special N.H. Collection and the Art Book Section, as well as the regular adult and children's collection. The Bookmobile service from the New Hampshire State Library continues to add variety to and to supplement our own books.

Special thanks go to summer resident Mrs. Charles Lane who has given many hours of her time in helping the Librarian.

**SOLID WASTE COMMITTEE**  
**of**  
**THE TOWN OF SANBORNTON**

**REPORT:**

The committee has met a number of times with the Regional Planning Commission, Metcalf & Eddy, Inc., the Region's Solid Waste consultants. The committee has also met with various Towns and private firms to determine the alternatives, including joint operation of the Land Fill Site and various transfer costs.

The committee has investigated land areas in Town and has located approximately 89 acres as a suitable sanitary land fill site. This has been approved by the above mentioned Region's consultants. Test holes have been made. The sand extracted indicated that the area could also be used as a source of Town sand. A \$500.00 option to purchase has been signed. The total purchase price including option costs, the costs of survey, legal fees and recording fees will be approximately \$2,200.00. The present dump shall be operated until April 1975. After April 1975 the present dump will be used as a stump dump.

**RECOMMENDATION:**

The committee recommends that the Town purchase and operate its own sanitary land fill site on the above mentioned 89 acre site.

The Chairman would like to thank and acknowledge the work effort that Earl Leighton has made in this matter.

**REPORT OF AN EXAMINATION AND AUDIT  
OF THE ACCOUNTS  
OF THE  
TOWN OF SANBORNTON  
FOR THE FISCAL YEAR ENDED  
DECEMBER 31, 1972**

**MADE BY  
THE DIVISION OF MUNICIPAL ACCOUNTING  
DEPARTMENT OF REVENUE ADMINISTRATION**

December 3, 1973

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

Board of Selectmen  
Sanbornton, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sanbornton for the fiscal year ended December 31, 1972, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent records.

**SCOPE OF AUDIT**

Included in this examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Jean Surowiec — Tax Collector and Town Clerk for the period July 23, 1972, to December 31, 1972, Public Library, Fire Department and Trustees of Trust Funds. The accounts and records of Stella M. Hackney, Tax Collector and Town Clerk for the period January 1, 1972 to July 22, 1972 were audited at an earlier date and a report of that audit was submitted to your Board under date of August 2, 1972.

Comparative Balance Sheets — General Fund — as of December 31, 1971 and December 31, 1972, are presented in

## **TREASURER**

### **Summary Statement of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1972, made up in accordance with the uniform classification of accounts is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1972, is indicated in Exhibit B-2.

## **AUDIT PROCEDURE**

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

## **GENERAL COMMENTS**

### **Overdraft of Appropriations and Application of Municipal Budget Law:**

Inasmuch as the Town of Sanbornton operates under the provisions of the Municipal Budget Law, the Selectmen are prohibited from making expenditures or incurring liabilities in excess of the total amount appropriated for all purposes by the Town meeting, or for purposes for which money has not been appropriated. Provided, however, that when circumstances arise during the year which make it necessary to expend money in excess of Town appropriations, or for purposes for which appropriations have not been made, the Board of Selectmen with the approval of the Budget Committee, upon application to the Tax Commission (on or after September 1, 1973 such applications must be submitted to the Department of Revenue Administration) may be given authority to make such expenditures.

It is noted that during 1972, budgetary expenditures subject to the provisions of the Municipal Budget Law resulted in a net overdraft of Town appropriations of \$8,077.17 as indicated herewith:

<b>Total Overdrafts of Town Appropriations</b>	\$18,356.47
<b>Total Unexpended Balances of Town Appropriations</b>	10,279.30
<hr/>	
<b>Net Overdraft of Town Appropriations</b>	\$ 8,077.17

An analysis of budgetary expenditures disclosed that there was no provision made in the 1972 budget for the expenditure of highway subsidy funds received from the State of New Hampshire. Consequently, the amount of \$12,673.97 which was expended for that purpose, as indicated in Exhibit A-3, was disbursed without proper authority and was the prime factor causing the net appropriation overdraft outlined above.

In connection with the expenditure of highway subsidy funds, it should be noted that authority to expend such funds must be duly voted by the annual town meeting and the amounts to be expended must be specifically provided for in each annual town budget.

#### **Capital Reserve Fund For The Recreation Committee Not In Custody of Trustees of Trust Funds:**

The 1970 Town Meeting voted to create a capital reserve fund for the Recreation Committee and stipulated that the proceeds of the sale of certain town property be transferred therein, "to be used for the improvement of town beaches and miscellaneous expenses". The designated property was sold in 1970 for the sum of \$2,700.00 and qualifying expenditures of \$501.36 were made from these proceeds during that fiscal year, leaving an unexpended balance of \$2,198.64 to be applied to the capital reserve fund. It is noted, however, that this sum has not been remitted to the trustees of trust funds, but rather is carried as an unexpended appropriation in the Town's general fund (Exhibit A-3).

With respect to capital reserve funds created by cities and towns, we direct your attention to the following sections of Chapter 35, Revised Statutes Annotated:

- (1) "35:10 Trustees of Trust Funds. The trustees of trust funds of a town or city shall have custody of any capital reserve fund of a town, district or water departments therein —. Said trustees or treasurer shall give bond in such amount

and in such form as the state tax commission" (effective September 1, 1973 — the commissioner of revenue administration) "shall prescribe, and any such trustee or treasurer who shall make any payment of income or principal from any such capital reserve fund before the approval of his bond in writing by the tax commission" (effective September 1, 1973, the commissioner of revenue administration) "shall be personally liable to the town — for any loss resulting from such payment, to be recovered for the town, — at the suit of any citizen. The expenses of said trustees or treasurer in said capacity and the expense of their bonds shall be charged as incidental town, — charges."

- (2) "35:12 Appropriation. Whenever the vote of the town is to raise and appropriate any sum for the capital reserve fund, the same duties shall devolve upon the town clerk, selectmen, and town treasurer, as specified in section 11 of this chapter," (R.S.A. 35:11) "except that said order must be drawn, and said sum transferred on or before December 31st following said vote."

It is therefore recommended that the town treasurer be instructed to remit the above stated sum of \$2,198.64 to the trustees of trust funds for custody and investment, in accordance with the statutory provisions of law quoted hereinbefore.

#### **Conclusion:**

The provisions of Chapter 71, Section 27-a, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Very truly yours,  
Frederick E. Laplante  
Director

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Sanbornton for the fiscal year ended December 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Sanbornton at December 31, 1972, and the results of its operations for the year ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,
